

Double Elimination Bracket Maps (poster style)

One landscape poster page per field size · 6–50 teams

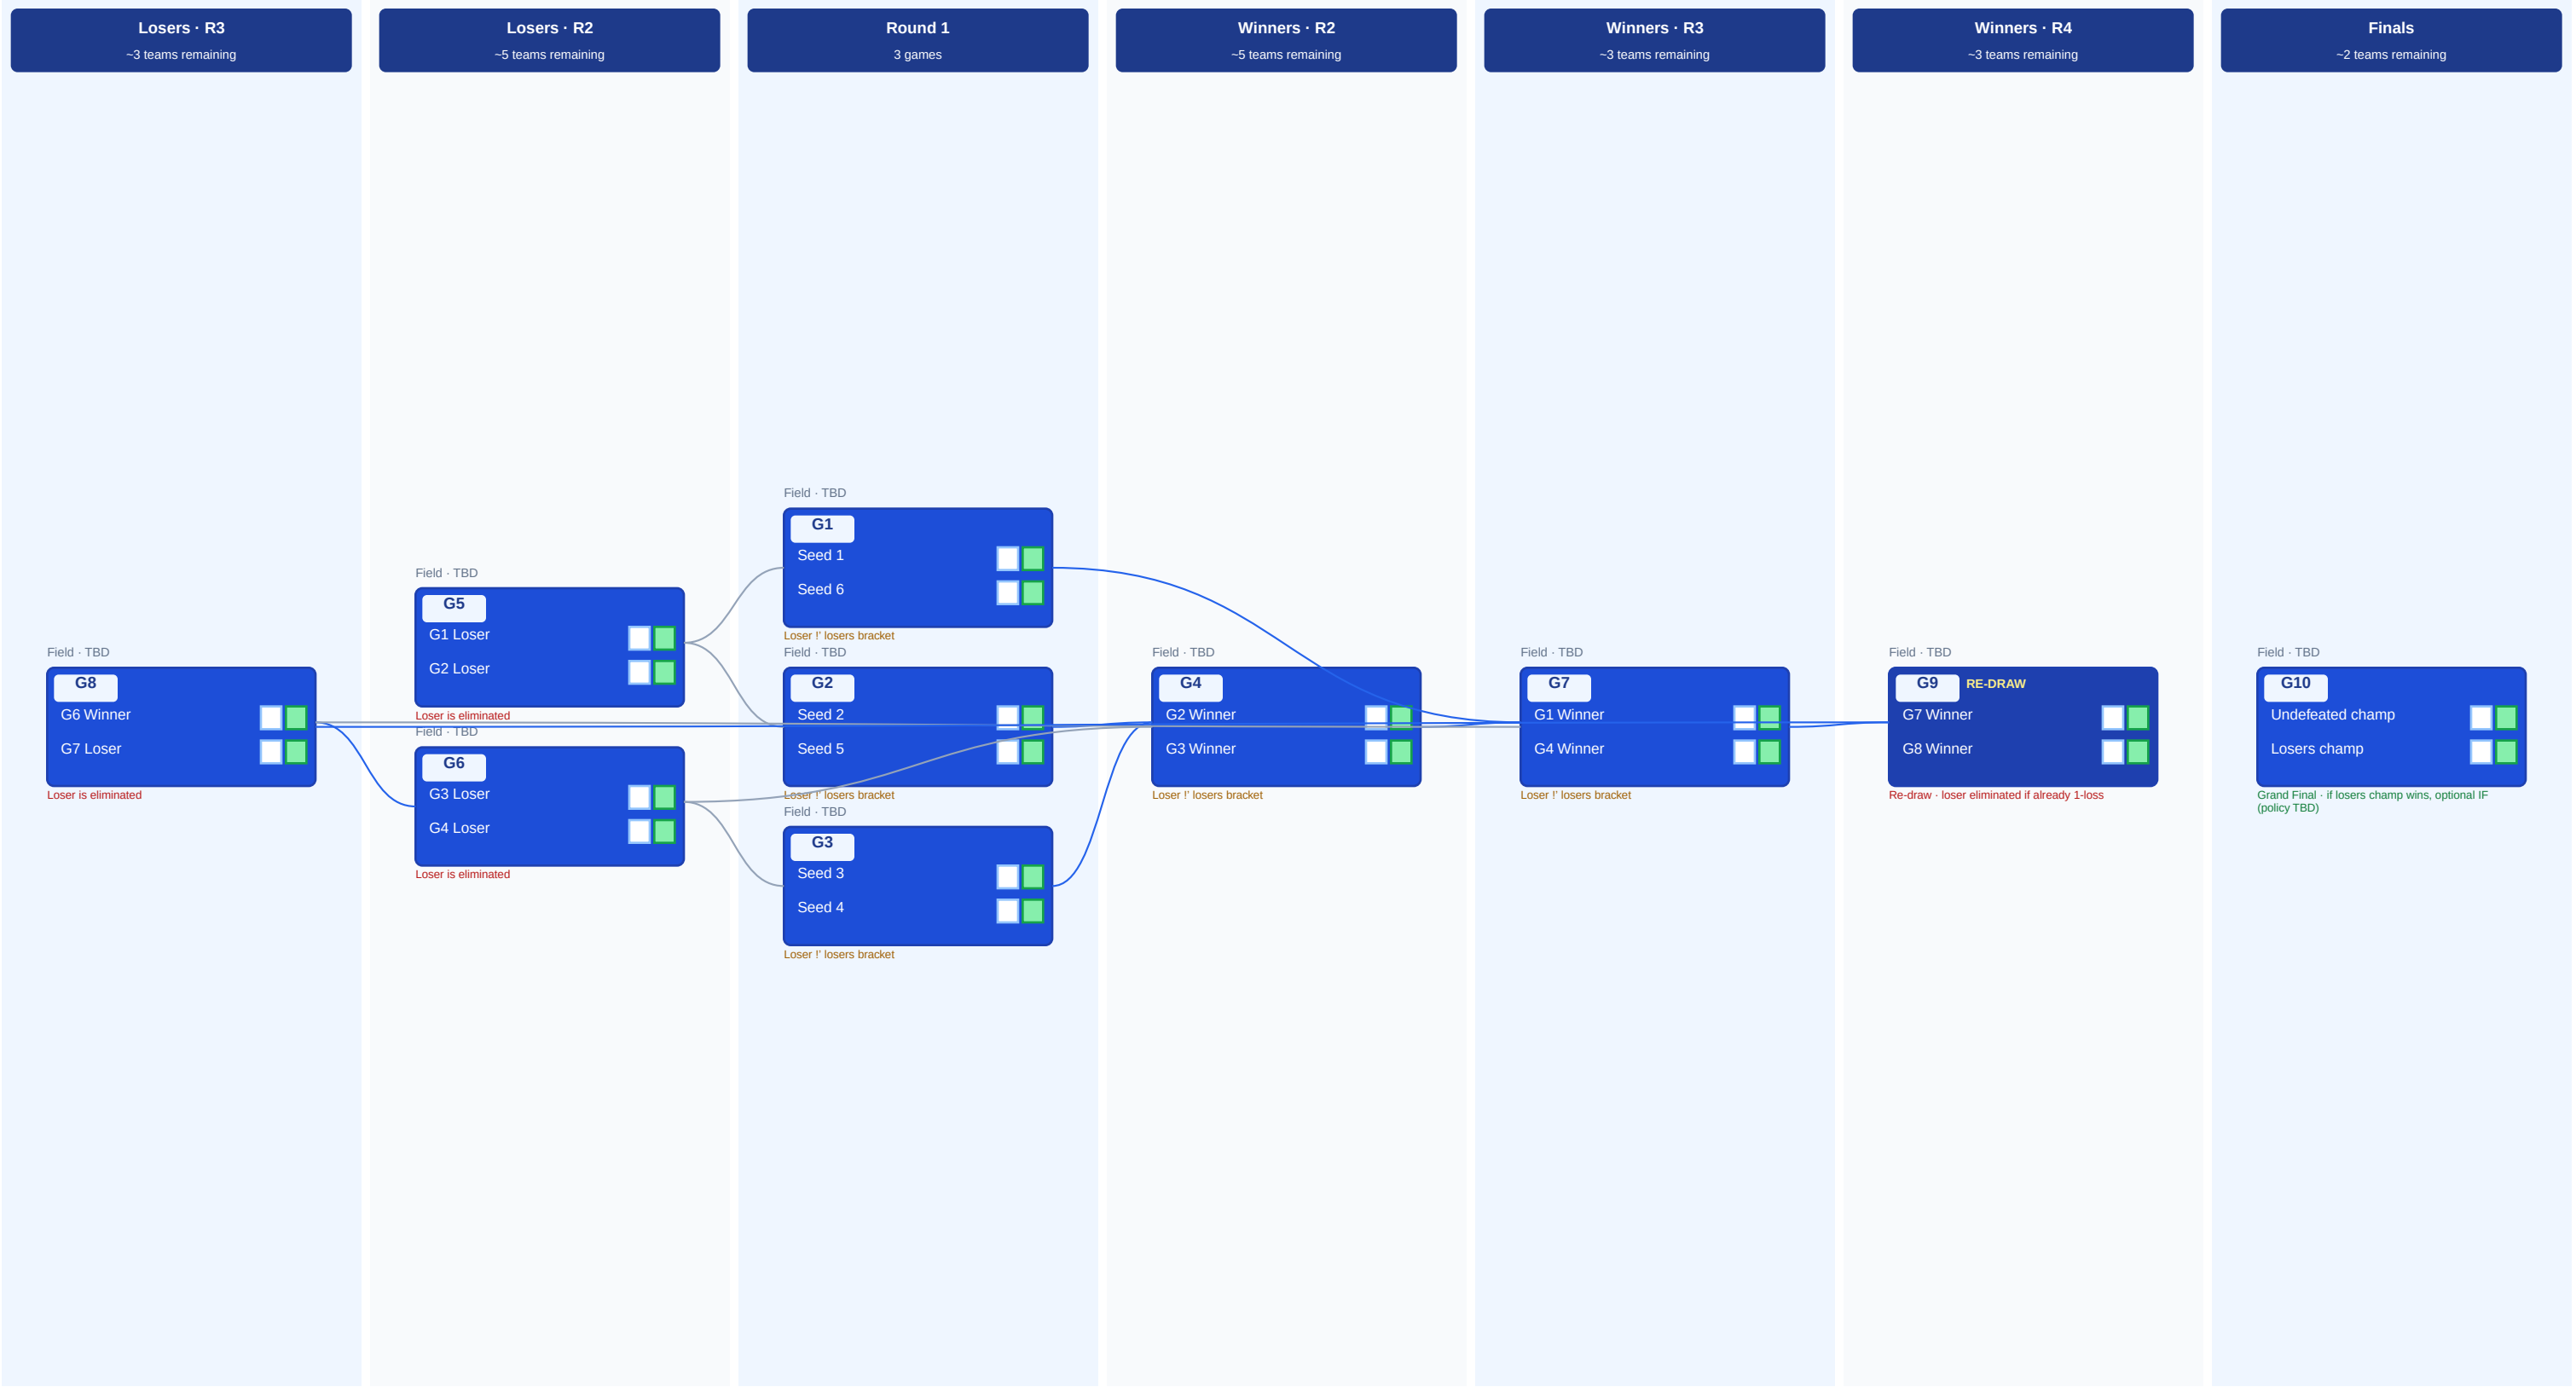

- Layout matches your 27-team reference: Round 1 in the center, winners bracket to the right, losers bracket to the left.
- Each card: game number (G#), two slots, score boxes, and fate notes (drop / eliminated / re-draw).
- Grey curves = loser drops into the losers bracket; blue curves = winner advances.
- When few teams remain, cards marked RE-DRAW use rematch-avoiding pairing notes (same idea as your Round 6+).
- Seeds are placeholders (Seed 1...N). Field/time are TBD for scheduling later.
- This is a review packet for structure — not a live schedule export from the app.
