

Double elimination · Avoid duplicate matchups

Current Tournament Hub engine · team counts 6–50

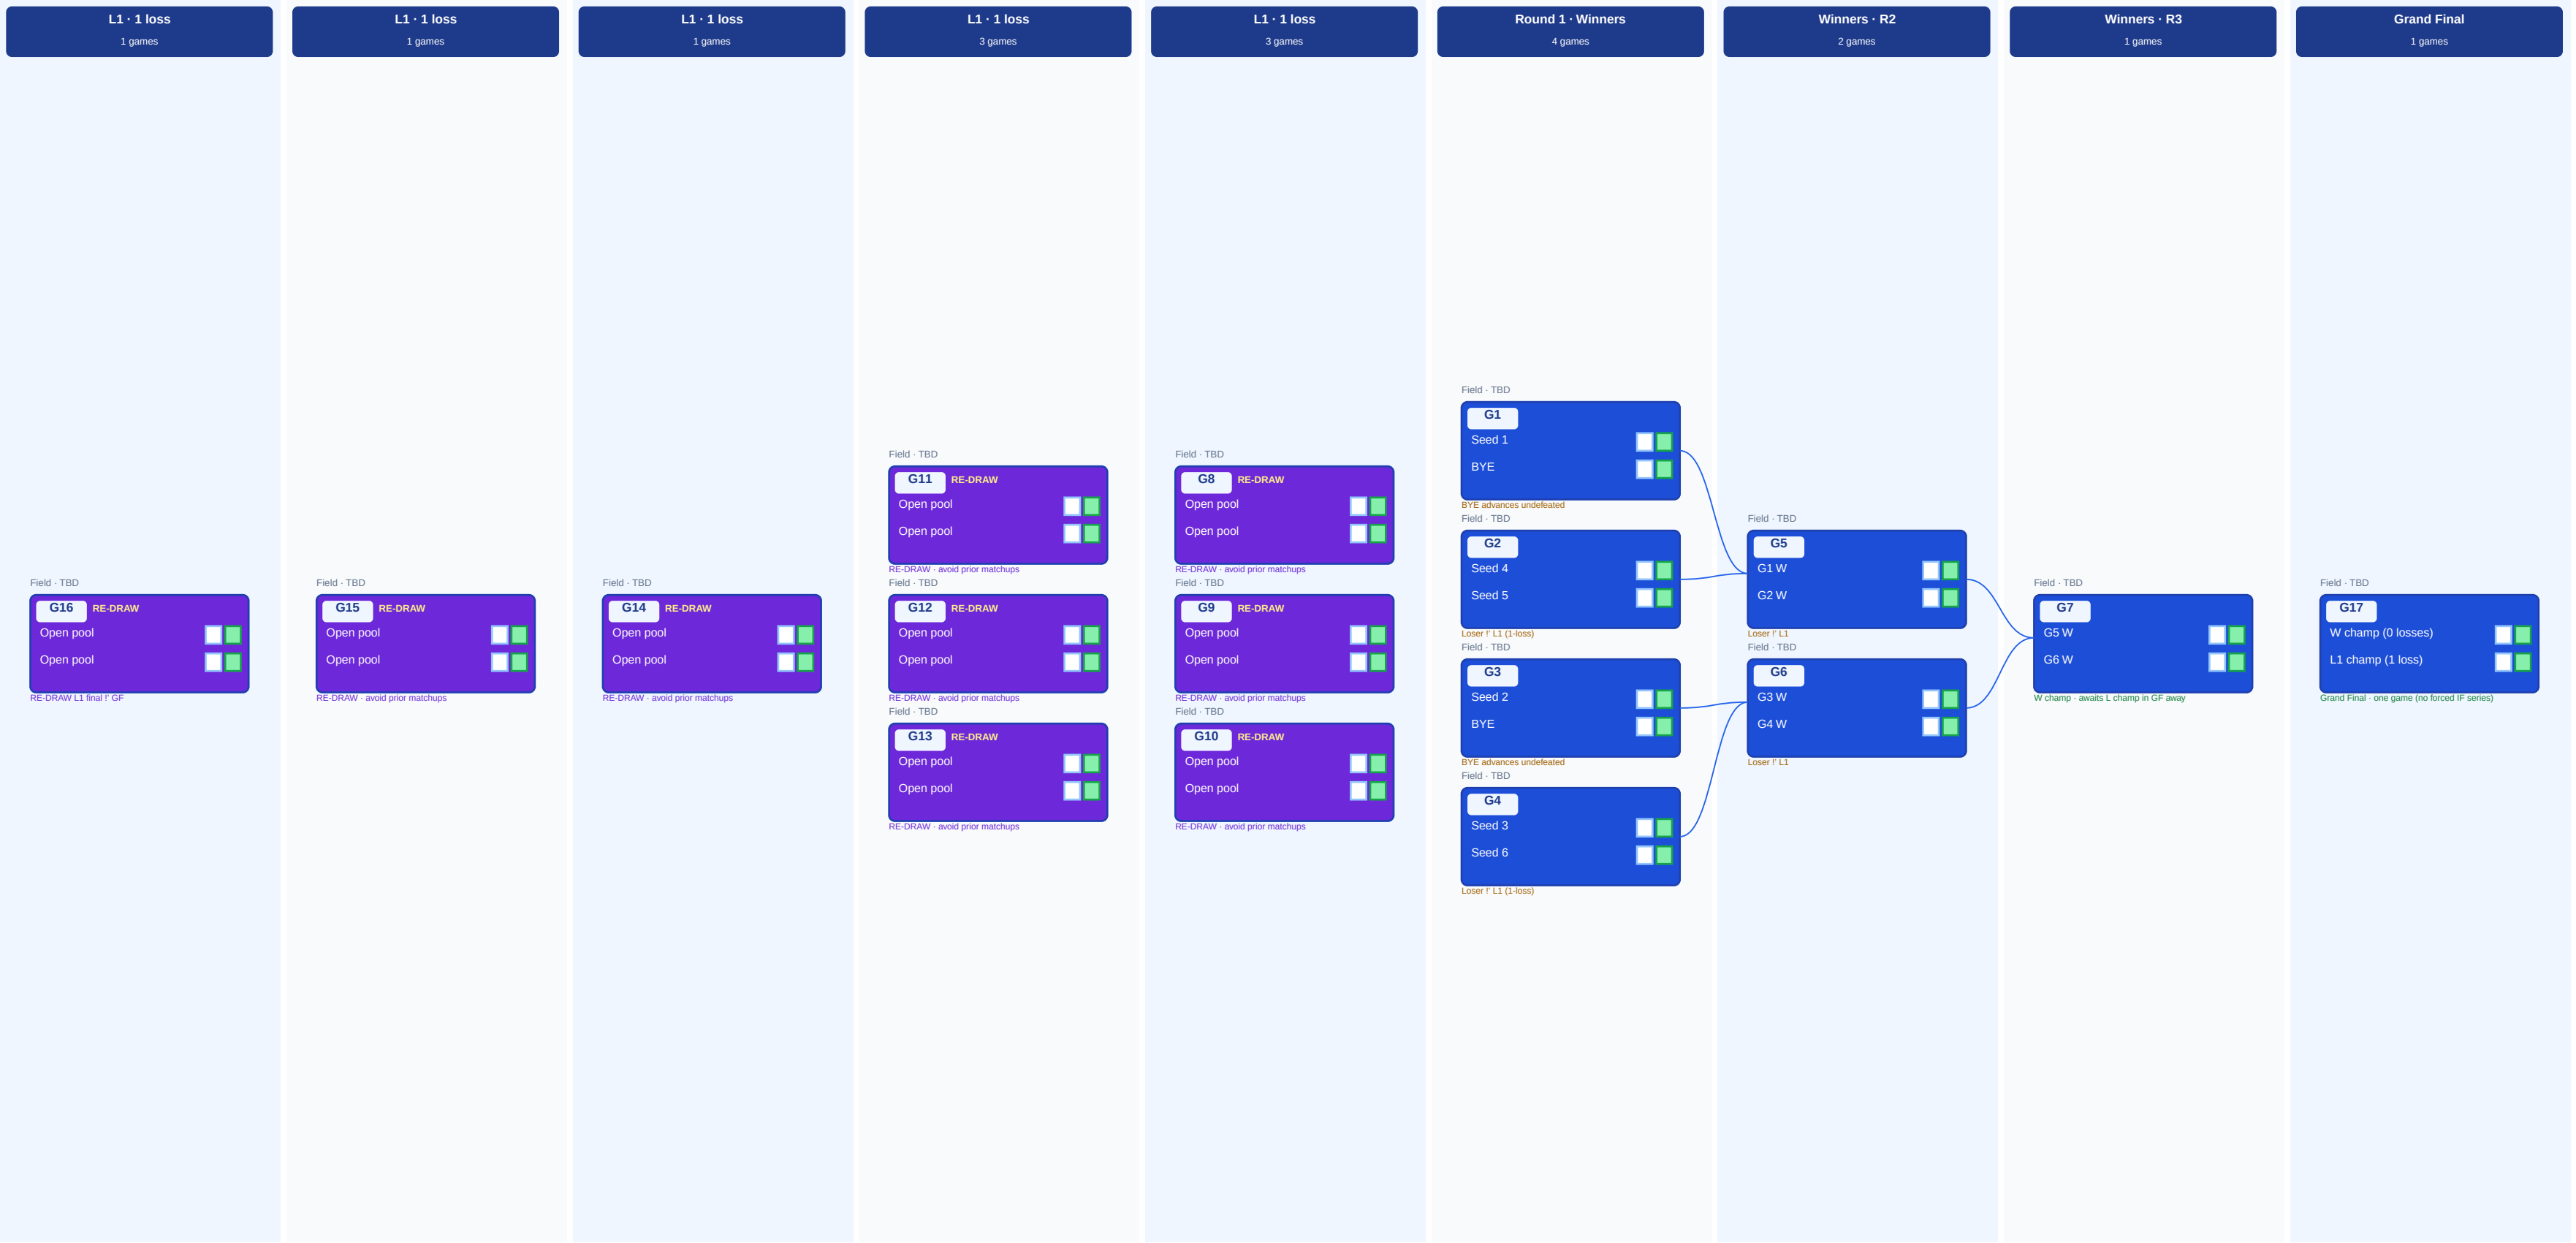

- Matches Admin !' Brackets create option: Avoid duplicate matchups.
- Same W / L1 / L2 / GF structure as classic, but L1/L2 cards are RE-DRAW pools.
- As teams arrive, open rounds are re-paired to prefer never-met opponents.
- If every pairing is a rematch, minimize rematches then randomize (forced redraw).
- Purple cards = dynamic pairing (not fixed feeder slots).
