

Triple Elimination Bracket Maps

Playoff fields for 6–50 teams

- PROPOSED model for review — triple elimination is NOT shipped in Tournament Hub yet.
- Padding / seeding: same power-of-2 + BYE + classic seed order as double-elim.
- Three lives: lose in W !' L1 (1 loss); lose in L1 !' L2 (2 losses); lose in L2 !' eliminated.
- Grand Final: W champion vs L2 champion (one game for these maps; reset rules TBD).
- L1 / L2 ladders are schematic round counts for planning day length — validate before coding.
- Contested-game estimate "H 3N " 3 (order-of-magnitude for field/time planning).
